### **About you**

Why are you interested in this volunteer position?

What do you hope to get out of this experience?

What skills or knowledge can you bring to Audacious Veg? Please list most recent/current employment experience, and any mentoring/support roles you have taken on.

The standard volunteering commitment is mentoring two-three young adults, who you will meet with individually. In some circumstances we can arrange for a volunteer to mentor only one young adult. Please confirm how many young adults you would be able to mentor.

I am happy to undergo a DBS (Disclosure and Barring Service) check if required (Audacious Veg can support this)

*We have a positive attitude to working with people with an offense on their record, but as the position includes working with potentially vulnerable adults, we deal with this on a case by case basis.*

**Reference**

Please list one reference from previous employment, education, volunteering or community work who we can contact prior to offering this position.

Do you consent to us adding you to our Volunteer Mentor Database – this will allow us to contact you for future traineeship programmes.

Do you want to be added to the Audacious Veg mailing list – newsletters and event invitations
